

The tutors were extremely experienced and very supportive during the year. The campus has a lovely friendly atmosphere with students of all ages, and occasionally some inter-class rivalry with fundraising events which was great to be a part of and raised money for a good cause.

Carole Pound (QQI Level 5eBusiness level 5)

I recently completed the QQI Level 5 course in Healthcare course at the West Cork Campus. From the moment I sat through the induction morning, I knew that I had made the right decision. All the staff at the college became part of my daily structure. I always had someone to voice my concerns and fears to.

Catherine Cadogan

The QQI Level 5 Art and Design course filled me with delight - I discovered a real passion for painting, sculpture and design and our tutors were experienced, enthusiastic and encouraging. I was quite amazed at the end of our year to realise just how many new skills I had acquired and what a large volume of work we had accomplished. I would recommend this QQI level 5 course to everyone. I am now going on to do a BA (Hons) degree in Visual Arts.

Cathleen McCarter – QQI Level 5 Art

I would strongly recommend this course to anyone. The teachers are fantastic and we got amazing help with every project or assignment that we were doing.

Zanna Cizevska - QQI Level 6 Business
